

# RENAULT TRUCKS READY FOR BUSINESS

## RENAULT TRUCKS RANGE D 4X2 SKIP LOADER FOR EXCELLENT PERFORMANCE AND MOBILITY

Renault Trucks offers you the right tool for the job – the Ready for Business Skip Loader.

The familiar and flexible Range D chassis is offered with a choice of skip lifting equipment to suit operators' different needs. For urban applications where access is a key challenge a 3500mm wheelbase model is available, featuring Harsh lifting equipment. Longer-distance operations can be carried out with the 3800mm wheelbase version which features Multilift lifting equipment and a 215 litre fuel tank. Your choice of Range D Ready for Business skip loaders is ready for your business, right when you need it.
